Daer Carol:

We missed you at our Spring Party this year. I hope you are planning a good vacation.

As you know, I have been runnibg a one-man operation for GangaGen here and the work is belng done in Bangalore. Recently, the demands on my time from the Board and investors has increased and I find that I am no longer able to do an adequate job of coordinating the IP work for GangaGen. Ed Ching has been helping us and I have decided to turn over full responsibility to Ed for GangaGen's IP.

Ed has a long-standing relationship with Townsend & Townsend and is comfortable working with them. Therefore, I would like to transfer the current and pending work at Bozicevic, Field & Francis to Townsend & Townsend as soon as possible.

I have enjoyed working with you and your associates very much and am grateful for the valuable contribution you made during the critical early years of GangaGen. Please let me know what I need to do to facilitate a smooth transfer.

Thank you again for all your help.

Best regards,
Ram Ramachandran
